

# STEFANI WEEKLY

Go Team Stefani!!!

Jan. 8, 2021

Remember to check our website for important dates and my blog!

### Reading:

In reading we read dramas (plays) that talked about plants. The class really enjoyed choosing different parts and reading their part throughout the story! We worked on the strategy of making and confirming predictions as we read throughout the entire story.

In writing we began working with opinion writing. Students have to choose between 2 things and give 3 reasons why they chose what they did. Like with all of our writing, students are expected to write a full 5 sentence paragraph with opinion writing (topic sentence, 3 details supporting their opinion, and a closing sentence).

### Teacher's Corner:

Welcome back! I hope everyone had a wonderful break and a great start to the new year 😊

I have updated Raz-Kids reading levels to reflect your child's most recent reading level. If your child has been moved to a new level, that is why!

We will be taking our NWEA reading and math tests Monday and Tuesday! These tests will be taken remotely. Please remember these tests are to be taken independently.

Please, please make sure you are having your child work on eSpark, Dreambox, and Raz-Kids. It is SO important your child is reading every day to help them grow as a reader.

**Be sure to take a picture of your child doing remote learning and email it to me ASAP!! This will be your child's yearbook picture 😊**

### Math:

This week we worked more on place value. We compared teen numbers. Teen numbers (11-19) are numbers made up of a 10 and extra ones. We practiced adding numbers by trying to make a ten. We also learned a little about doubles, doubles plus 1 and doubles plus 2. Please have your child practice their math facts!
