

Go Team Stefani!!!

STEFANI WEEKLY

Oct. 1, 2021

Reading/Writing:

In reading we began Unit 1 Week 3 of our reading series. We read a lot of fantasies this week. We learned how a fantasy has events and characters that are imaginary, the events cannot happen in real life, they often have talking animals, and fantasies have a beginning, middle, and end. Practice reading books with your child and discussing the sequence of events (what happened in the beginning, middle, and end).

All students should know letters and sounds at this point of first grade. If your child is struggling with letter identification and sounds, please practice them until mastery is achieved!

In writing we continued to practice handwriting. Please review the handwriting pages and enforce correct letter formation with your child.

We practiced reading the following high frequency words. Review reading these words at home: be, come, good, pull.

Teacher's Corner:

PLEASE donate to the Fun Run if you can!!

Please continue to review behavior expectations with your child. Especially listening when someone else is talking and following directions the first time.

Thank you for participating in our virtual Open House!

Be sure to practice the spelling words below!! We work on them daily in school, but reinforcement is needed at home. First graders are expected to be able to read/recognize each word (within about 3 seconds of seeing it) and spell each word.

Math:

This week we wrapped up Unit 1 with our test and we began Unit 2. We are working on addition strategies. An introduction letter to the unit was sent home along with some vocabulary flash cards. Those are to be kept at home! You can practice the vocabulary at home with your child. Please read and review the family letter that comes home as it describes the different strategies we use during the unit. Math looks a little different these days than it did years ago!

Next Week's Word Study

Sight Words:

1. fun
2. make
3. they
4. too
5. on
6. off

Word Family:

7. hog
8. hop
