

Go Team Stefani!!!

STEFANI WEEKLY

Oct. 30, 2020

Remember to check our website for important dates and my blog!

Reading:

In reading we worked on some fun Halloween themed reading passages. We focused on identifying the main idea and details. We made some fun Halloween crafts to go along with our reading passages.

Please make sure your child is working on the Reading, Writing, and Word Work menus at home, every day.

We started Raz-Kids this week! Your child is assigned books at his/her individual level. It is very important your child works through these books, along with the comprehension questions, to grow as a reader.

We practiced reading the following high frequency words. Review reading these words at home: come, does, make, move, out, school, that, they, what, which, went, down.

Teacher's Corner:

On Tuesday, November 3rd there is no school!

Information was emailed out to parents earlier this week from Mrs. Wood regarding conferences. **Please make sure you have made an account with Conference Manager and signed up for a conference date and time.**

Conferences will be held virtually on Wednesday, November 11th and Thursday, November 12th.

We had a fun time celebrating Halloween safely in our classroom.

Math:

This week we worked on subtraction! We used circle drawings to see what number we start with, then we cross out to show how much we subtract, then we circle the difference. We practiced writing equations to match the model. We also worked on proving if an equation is true or false.

Next Week's Word Study

Sight Words:

1. could
2. live
3. one
4. then
5. three
6. but

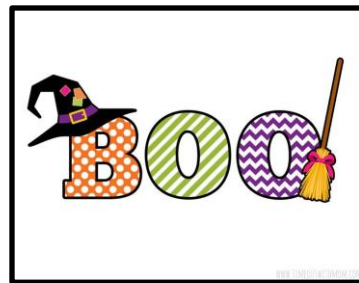

Word Family:
