

WINIARSKI WEEKLY

Nov. 22, 2013

Go Team Winiarski!!!

Remember to check our website for important dates and my blog!

Science/Social Studies:

This week we focused on turkeys and reading informational text about them. Students created a little informational booklet. We also made our outfits for our Friendship Soup Feast!

Reading/Writing:

We read The Secret Code and focused on evaluating the story and comparing and contrasting. Be sure to practice the words “compare” and “contrast” with your child. They used a Venn Diagram to compare and contrast events in the story, along with the vowel e and “super e”.

We completed our Thankful Writing piece. They turned out very nice. We really practiced writing a topic sentence, details, and a summary sentence. I think everyone will enjoy reading them! We also learned about the differences between asking sentences and telling sentences.

Teacher’s Corner:

Next week there will be no school on Wednesday, Thursday and Friday! Tuesday is still a full day of school.

There will not be a Friday Folder going home next week either due to the two day week. Also, there will be no new words for a spelling test. Use this time to practice words in the past. I put a link up on our site for you to access the spelling words – in case they have been misplaced ☺

Take this time to enjoy your family!

Please make sure your child is practicing Dreambox at home! We are expecting about 15 minutes a day. Continue to have your child read to you too!

Do not forget to send in your ingredient for

Math:

This week we focused on place value. Students learned about what tens and ones mean. We discussed “expanded form” vs. “standard form”. Ask your child what “expanded form” is! Students also had to find the value of each digit. We touched more on 10 more/10 less and 1 more/1 less too!

Next Week’s Word Study

Dolch Words:

No Words

Word Family:

Next Week
