

Go Team Stefani!!!

# STEFANI WEEKLY

Dec. 18, 2020

## Reading:

In reading we read fantasies and non-fiction texts about how we measure time. We focused on the strategy of asking and answering questions while we read. Remember to practice story elements with your child when he/she reads to you (setting, character, problem, solution).

In writing we worked on some informational text. We continued to practice using conjunctions (and, so, but, for, because) to make our sentences more detailed. We will now be writing a full 5 sentence paragraph (topic sentence, 3 detailed sentences, closing sentence). Practice writing a full paragraph with your child!

## Math:

This week we began Unit 4 learning about place value. We learned how teen numbers are numbers that contain 1 ten and extra ones. Students need to know the value of the number in the tens place and the value of the number in the ones place.

## Teacher's Corner:

**Next week is only a 2-day week! Both Monday and Tuesday are half days, finishing at 11am. School resumes on Monday, January 4<sup>th</sup>!**

The words below are for the week we come back from break – the week of January 4<sup>th</sup>. There will not be a newsletter next week due to the short week.

**Please make sure your child is reading every day!!** Continue to work on sight words and comprehension skills.

Raz-Kids, eSpark, and Dreambox are great tools to use over break if you want something your child can work on independently! They also help prepare your child for the NWEA test which we will be taking soon after we return from break!

In Schoology, I uploaded a fun Winter Reading Challenge calendar for you if you are looking for extra reading activities to do over break! It's on our main page, right by the Teams Meeting Link. It would be fun to use Epic! for this!

Please email me a picture of your child doing online learning. This picture will be used as your child's yearbook picture this year.

**Please take time over break to relax and enjoy the holidays with your family! I wish you all a beautiful holiday season!**
