

# STEFANI WEEKLY

February 26, 2021

Go Team Stefani!!!

Remember to check our website for important dates and my blog!

## Reading:

In reading we read non-fiction texts about animals. We learned about how animals help each other. The class really enjoyed reading and learning about animals.

In writing we wrote some informational paragraphs. Continue to work on a full paragraph with your child. Please also focus on correct letter formation and sizing on the lines correctly. There are 3 different types of letters: tall (l, k, h, t, etc.), small (a, e, o, u, x, etc.), and falling (y, g, j, p, etc.). Use these terms when pointing out correct letter sizing on the lines.

## Teacher's Corner:

An Og the Frog chapter book came home in your child's Friday Folder. This book was sent home to each family at Graebner. There will be some activities posted on Schoology for your family to do throughout March is Reading Month with this book. Have fun reading together as a family!

Tuesday is Dr. Seuss's birthday! Have your child wear red or white if possible! We are going to be celebrating his birthday and will do some Dr. Seuss themed activities!

Continue to work with your child at home on reading, writing, and math. Reading to your child is another great way to practice reading skills and model correct voice/expression while you read! Be sure to always point to the words as you read them!

Picture retake day is on March 8<sup>th</sup> if you need it!

## Math:

This week focused a lot on making tens. We worked with story problems that had 3 addends, and we looked to find 2 of them we could add to make a ten, then add the third addend. We also put ones into groups of 10, focusing on counting by tens and adding extra ones. We practiced navigating a hundreds chart to add and subtract 10 by moving up and down the hundreds chart. Practice this skill with your child!

## Next Week's Word Study

### Sight Words:

1. find
2. food
3. more
4. over
5. start
6. warm

### Word Family:

7. boat
8. low
9. flow
10. oat
11. row
12. toe

### Challenge Words:

survive, provide, communicate
