

Go Team Stefani!!!

STEFANI WEEKLY

March 12, 2021

Reading:

In reading we completed Unit 4 Week 4. We read fantasy texts about insects. We discussed how insects are alike and different. We also learned about the character's point of view (how the character feels in the story).

In writing we learned about adjectives! We talked about how we can use adjectives in our writing to make it more detailed and descriptive. We also began writing a book! We are excited to learn about all different text features that make up a non-fiction book that we will write!

Math:

This week we wrapped up Unit 5 with our test and began Unit 6 which focuses on graphing and data. Please continue to practice the skills learned in Unit 5. It was a very tricky unit! We will continue to review the skills at school as well. Navigating the 100s chart correctly and being able to find 10 more/less, or multiples of 10 more/less than a given number are extremely important!

Teacher's Corner:

We are back to school ALL DAY starting on Monday!! **Please send the iPad and the charger back to school with your child on Monday!** Since we will be at school all day, we will now need them to use in school.

Students will continue to have math homework every day. eSpark, Dreambox, Raz-Kids, choice menus, etc. will now all be completed at school. The only work you need to worry about completing at home will now just be the math homework 😊

Our Wednesday schedules will stay the same for the time being. I will be sure to send home the iPads Tuesday so your child will be ready to learn remotely on Wednesday.

Students will continue to wear their mask at school. Please make sure to send in a water bottle with your child as well! The drinking fountains are closed.

If you have opted out of the lunch program and your child will bring his/her own lunch each day, make sure he/she is able to open all containers, pouches, etc. **independently!**

Please review behavior expectations with your child before we return in person. With the procedures in place for returning to school, it is important we are good listeners and follow the rules!

Next Week's Word Study

Sight Words:

1. found
2. hard
3. near
4. woman
5. would
6. write

Word Family:

7. bumpy
8. funny
9. key
10. penny
11. puppy
12. sandy

Challenge Words:
career, advice, trust
