

Go Team Stefani!!!

STEFANI WEEKLY

March 26, 2021

Remember to check our website for important dates and my blog!

Reading:

In reading we completed Unit 5 Week 1. We learned more about the character's point of view. Please make sure your child is working on vowel teams!! Mastering them will really help your child grow as a reader!

In writing we reviewed narrative, opinion, and informational writing. These are the 3 types of writing we practice in 1st grade. We also worked very hard on our non-fiction books that we are writing! This week we practiced captions and labels. The class LOVES writing their books about sea turtles! Please continue to practice writing at home. Students need to be able to write a quality 5 sentence paragraph!

Math:

This week we wrapped up Unit 6 with our test on Friday! Next week we will dive into Unit 7 which focuses on time and geometry. Please practice addition and subtraction math facts at home with your child. It's important they know their facts (0-20) fluently. A fun way to do this is to play War with a deck of cards. But instead of taking the card with the higher number, have your child race you to add or subtract the two cards/numbers that come up!

Teacher's Corner:

Next week is a short week! We are in-person all 4 days, Monday-Thursday. Thursday is a half day of school for students.

April 2-9 is Spring Break! April 12-16 is a fully remote week. I will be sure to send home iPads and chargers next Wednesday or Thursday with your child. I will also put daily packets for the remote week in your child's Friday Folder. If your child is going to be absent on Thursday, April 1st, please make sure to let me know in advance so I can send home the packets and iPad early to you so you are prepared for our remote week after Spring Break.

We will still have a spelling test next week. The words are below and they are words that are a review of Unit 4. Our test will be on Thursday due to the short week.

Please make sure math homework is being returned each day on time!!

It has been an adjustment getting back into a full day of learning and listening to/following directions!! We are doing well and each day gets smoother and smoother. Thank you for all your support, patience, and for encouraging your child to be a good listener each day! 😊

Next Week's Word Study

Sight Words:

1. about
2. eight
3. because
4. other
5. keep
6. over

Word Family:

7. start
8. find
9. laugh
