

STEFANI WEEKLY

April 1, 2021

Reading:

In reading we completed Unit 4 Week 6. We reviewed skills we have learned throughout the unit. Practice identifying the number of syllables in a word, where you would break up a word into syllables, and also identifying root/base words. We also discussed author's purpose!

In writing we learned about the prefix re- and how it means to do something again. Give your child some re- words and have them practice telling you what the prefix means (ex: redo means to do something **again** ["re-" is the prefix and "do" is the root word], reheat means to heat something **again** ["re-" is the prefix and "heat" is the root word]).

Math:

This week we began Unit 7. We learned about telling time to the hour and the half hour. Students need to be able to read a given analog clock **and** need to be able to build a given time on an analog clock. Please reinforce that when working with time to the half hour, the hour hand is always **between** two numbers on the clock. If the hour hand is not pointing **between** two numbers, it is considered wrong (ex: given 8:30, the hour hand must point **between** the 8 and the 9. If it points exactly to the 8 or to the 9 it would be considered wrong).

Teacher's Corner:

Next week, April 5-9, is Spring Break!! The week after, April 12-16 is a completely remote week. Packets for the week are here in the Friday Folder. Keep this in a safe place as this is the work we will need for that week of school! Do not do them ahead of time!!! They are for our instruction together!!

We will still practice words for the week of April 12-16, but we will not have a spelling test that week because we will be remote. The words below are the words to practice for that remote week.

April 19th we are back to in-person instruction. The district is now going to continue Remote Wednesdays. The week of April 19th will be in-person for 4 days, with Wednesday, the 21st, being remote (same schedule we have been on).

Please make sure you are working with your child on writing! Students should be writing a full paragraph, with detailed sentences! Also focus on neatness and correct letter formation.

Relax and enjoy time with family over break!!

Next Week's Word Study

Sight Words:

1. another
2. climb
3. full
4. great
5. poor
6. through

Word Family:

7. bird
8. dirt
9. fur
10. fern
11. her
12. work

Challenge Words:

observe, certain, remained

Team Stefani M.V.P.

Enjoy the week!
