

Go Team Stefani!!!

STEFANI WEEKLY

April 30, 2021

Remember to check our website for important dates and my blog!

Reading:

In reading we completed Unit 5 Week 4. We read some realistic fiction stories. We learned a new prefix “mis-“ which means “wrongly”. We reviewed homophones and learned about antonyms. Continue to have your child read every day at home. If your child has not yet mastered the blends, digraphs, and vowel teams, please continue to work on those!

In writing we practiced informational writing. Your child should be spelling all past sight words correctly. If not, be sure to point out those words and have your child correct them!

Teacher’s Corner:

Please continue to have your child work on reading, writing, and math!! With reading, be sure to point out blends, digraphs, and vowel teams when decoding words! The more your child notices these letters, the easier it will be to decode all words!

All students should be writing a full 5 sentence paragraph at this point in the year. Sentences should be detailed and complex. Using conjunctions (because, so, and, but, for) is a great way to make sentences more complex! We also use commas in a series (listing 3 things) to make more detailed sentences.

Be sure to review time with your child! On Monday’s test, when telling time to the half hour, students need to draw the hour hand **between** two numbers. Example: 5:30 needs to show the hour hand pointing **between** the 5 and the 6.

Have a nice weekend!

Math:

This week we wrapped up Unit 7. We will take our Unit 7 test on Monday! We will then begin Unit 8 which is double-digit addition! Be sure to practice math facts 0-20. The more fluently your child knows his/her math facts, the easier double-digit addition will be!

Next Week’s Word Study

Sight Words:

1. above
2. fall
3. knew
4. money
5. toward
6. section

Word Family:

7. boy
8. coin
9. join
10. joy
11. spoil
12. toy

Challenge Words:
project, intend, marvelous
