

Go Team Stefani!!!

# STEFANI WEEKLY

May 21, 2021

Remember to check our website for important dates and my blog!

## Reading:

In reading we completed Unit 6 Week 1. We read different fantasy stories. As we read now, text is looking more difficult, however, just remind your child of all the decoding skills we have learned. Even though the words seem much bigger, most of them are made up of all the blends, digraphs, and vowel teams we have been practicing all year!

In writing we reviewed opinion writing, along with common and proper nouns.

## Teacher's Corner:

There is no school Friday, May 28<sup>th</sup>! Next week's spelling test will be on Thursday instead.

There are no more Remote Wednesdays the rest of the year. Your child will be in person, everyday until the end of the school year!

Continue to work on blends, digraphs, and vowel teams if your child has not yet mastered them. Knowing them with automaticity will help your child continue to grow as a reader. Use those flash cards daily if needed, and look for blends, digraphs, and vowel teams as you decode words. Also focus on "super e" (vowel consonant, e words), who makes vowels say their long name. You can also cover up any endings (-s, -es, -ed, -ing, -er, etc.) to help your child decode words. These are all helpful strategies we use all the time in school!

Be sure to master any sight words through Unit 5 if you child has not yet done so!

Enjoy the warm weekend!! It seems like we FINALLY have nice, consistent weather!

## Math:

This week we wrapped up Unit 8 with our test on Thursday. We have now completed the math series for the year! We will continue with daily lessons reviewing time, fractions, geometry, measurement, and money. We will complete a lesson together in class and your child will bring home his/her daily math homework. Daily math homework will have a circled "HW" in yellow crayon so you know this is what needs to be completed and returned the next day!
