

Dear Parents:

As you are aware, our unusually severe winter led to nine school closings this year. As a result, many of you have asked if there will be a need to add new days to our school calendar.

As a result of recent legislation, there will be no change to our school calendar for the remainder of the 2013-2014 year. The last day of school is June 13, 2014. However, you may have children at secondary schools with a revised calendar. I encourage you to visit www.utica12.org for information related to all schools in UCS.

I look forward to seeing you at our many family events in the next few weeks as we close out what has been another successful year at Graebner Elementary.

Sincerely,
