

## Biography Book Project

Due Thursday  
March  
28th

This month's Book Project will require you to read a **Biography** book. A **biography** is a book about a person's life. That person may be from the past or present. The person you will be reading about has likely done something to make themselves famous, so be sure to choose someone that interests you!

### Project Description:

After reading your biography, you must create a Poster Report by filling in the appropriate information on the attached poster. Please use the following guidelines when completing your poster:

#### Portrait

Draw and color or print a colored photograph of your person. Fill in birth date and death date (if available).

#### Read All About

Write your own 1-2 paragraph summary of the person's life and accomplishments. This summary should be accurate, neatly written, and contain proper spelling and punctuation.

#### Mini-Movie

You will draw and describe 3 most important scenes from your person's life inside the film-strip. Be creative with your captions and give your mini-movie a catchy title. You will be graded on neatness, spelling, and punctuation.

Quotable Quote - Something meaningful the person said.

Life Lessons - An important lesson you learned from the person.

In Five Words - Five adjectives that describe the person.

Final Fact - One more fascinating fact about your person.

Super Resources - List at least 2 resources to find out more information about your person.

\* There will be a book parade on March 28th. Students will carry their biography book and poster around the school. Students have the option of dressing like their famous person.
