

This year for March is Reading Month,  
Graebner students are invited to

# "Catch the Reading Wave"

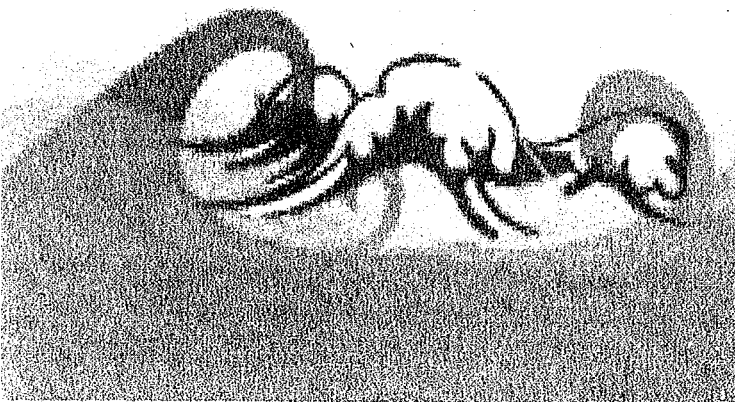

March is Reading Month is quickly approaching! Many fun and educational activities have been planned for the students! Please take a look at the attached calendar for planned events. You will also find an At-Home Connection and fish reading slips.

For the At-Home Connection, students are encouraged to color code each genre. Then read, read, read! For each book read, they should fill in the appropriate box and color it the matching color. The goal is to fill in as many boxes as they can! At-Home Connections are due no later than April 8<sup>th</sup>. An exciting prize will be awarded to every student who participates!

The fish reading slips are to be turned in throughout the month of March. Let's try to fill our hallway reading waves with fish galore!

**Let's Catch the Reading Wave!**

Happy Reading!

**Attention All Readers!!!**

**For every book you read in the month of March, complete a fish. Fill out the necessary information, color, cut and return to school. Your fish will be added to the reading waves throughout the halls of Graebner!**
