New Sea Turtle Adoptive Parent(s):

Thank you for adopting a sea turtle! Welcome to The Turtle Hospital family. Your adoption donation of \$35.00 will provide food, medication and other supplies needed to take care of your sea turtle for one year. Your turtle is one of The Turtle Hospital's permanent residents who cannot return to the wild due to the nature of their injuries.

In your adoption package you will find a photograph and biography of your turtle, a photo magnet of your turtle, and a certificate of adoption. You will receive an updated newsletter in the mail regarding your sea turtle in about 4 months, and you can always check on your turtle at www.turtlehospital.org.

Thank you for your thoughtful contribution to The Turtle Hospital. We would not be able to continue without the generosity of people like you.

Best Wishes,

The Turtle Hospital Staff
